Section V. Levy of Taxes

There is hereby levied a tax at the rate of **65 cents** per one hundred dollars (\$100) valuation of property listed for taxes as of January 1, 2022, for the purpose of raising the revenue listed as "Current Year Property Taxes" as set forth in the foregoing estimates of revenues.

This rate of tax is based on an estimated total assessed valuation of \$16,213,293,788 and an estimated collection rate of 98.70 percent for County collections, and 100.00 percent for State motor vehicle tax collections.

Section VI. Levy of Taxes - Fire Districts

There is hereby levied the following special district tax rates for County fire districts. These tax rates are levied per one hundred dollars (\$100) valuation of property listed for taxes as of January 1, 2022 for the purpose of raising the revenues set forth above in the Fire Districts Fund section.

	Tax Rate per \$100 Valuation	Total Assessed Valuation
54 East	0.0900	\$ 566,711,104

B. Inspection Fees

- Permits Not Valid. No building, electrical, plumbing mechanical miscellaneous or other permit issued by the Department of Inspections shall be valid unless all fees as prescribed by this ordinance shall have been paid to Alamance County.
- 2. Work Commenced Prior To Obtaining Permits. In all cases where building, construction, electrical, plumbing, mechanical or other work for which a permit is required is commenced before such permit is obtained, except where specific permission is granted to proceed by the Inspections Department, any permit fee due Alamance County for a permit for such work shall be twice the amount of the regular permit fee specified herein which would have been due had such permit been obtained prior to commencing work.
- 3. Transferable. In some cases, permit fees may be transferred from one permit to another upon Director's approval. Permit fees are not refundable.
- 4. Time Limitation. All permits expire six months after the date of issuance if the authorized work has not commenced. After commencement of work, if work is discontinued for a period of twelve months, the permit expires. If no inspection has been requested within a twelve-month period, it shall be presumed that work has stopped and the permit has expired.
- 5. An extra trip or re-inspection fee may be assessed when the project is not ready for an inspection, recurring deficiencies exist, or inspection requests are not canceled on time.
- 6. Final inspections, Certificates of Completion and Certificates of Occupancy will not be issued until all outstanding fees are cleared by the Central Permitting Office.
- 7. Gas piping fees. When a fee is charged for gas-fired appliances, a separate gas-piping fee shall not be required as long as the gas-piping and appliance are ready for inspection at the same time. Appliance shall mean any gas connected appliance or any gas outlet provided for future appliance connection.
- 8. Notification of inspection results shall be left at the job site.
- 9. Installations not addressed by this fee schedule will be charged using a minimum fee and per inspection trip criteria.

Section VIII. Enhanced 911 System Surcharge

Effective January 1, 2008, the State changed the guidelines for surcharges to provide E911 services. The State now imposes a surcharge of 70 cents per month per line for landline and wireless phone service. The County no longer has a separate imposition of emergency telephone surcharges. The rate was reduced to 60 cents per month per line for landline and wireless phone service as of July 1, 2010.
