### B. Inspection Fees

- 1. Permits Not Valid. No building, electrical, plumbing mechanical miscellaneous or other permit issued by the Department of Inspections shall be valid unless all fees as prescribed by this ordinance shall have been paid to Alamance County.
- Work Commenced Prior To Obtaining Permits. In all cases where building, construction, electrical, plumbing, mechanical or other work for which a permit is required is commenced before such permit is obtained, except where specific permission is granted to proceed by the Inspections Department, any

permit fee due Alamance County for a permit for such work shall be twice the amount of the regular permit fee specified herein which would have been due had such permit been obtained prior to commencing work.

- 3. Transferable. In some cases, permit fees may be transferred from one permit to another. Permit fees are not refundable.
- 4. Time Limitation. All permits expire six months after the date of issuance if the authorized work has not commenced. After commencement of work, if work is discontinued for a period of twelve months, the permit expires. If no inspection has been requested within a twelve-month period, it shall be presumed that work has stopped and the permit has expired.
- 5. An extra trip or re-inspection fee may be assessed when the project is not ready for an inspection, recurring deficiencies exist, or inspection requests are not canceled on time.
- 6. Final inspections, Certificates of Completion and Certificates of Occupancy will not be issued until all outstanding fees are cleared by the Central Permitting Office.
- 7. Gas piping fees. When a fee is charged for gas-fired appliances, a separate gas-piping fee shall not be required as long as the gas-piping and appliance are ready for inspection at the same time. Appliance shall mean any gas connected appliance or any gas outlet provided for future appliance connection.
- 8. Notification of inspection results shall be left at the job site.
- 9. Installations not addressed by this fee schedule will be charged using a minimum fee and per inspection trip criteria.

### Section VIII. School System to Receive Fines and Forfeitures

The Alamance-Burlington School System is entitled by law to the entire revenues for the fiscal year from fines and forfeitures, to be distributed by the County Finance Officer, without becoming a part of the County General Fund appropriation. Revenues from fines and forfeitures for the fiscal year beginning July 1, 2020 and ending June 30, 2021 are estimated to be in excess of \$700,000.

### Section IX. Enhanced 911 System Surcharge

Effective January 1, 2008, the State changed the guidelines for surcharges to provide E911 services. The State now imposes a surcharge of 70 cents per month per line for landline and wireless phone service. The County no longer has a separate imposition of emergency telephone surcharges. The rate was reduced to 60 cents per month per line for landline and wireless phone service as of July 1, 2010.

### Section X. Budgetary Control - School System

General Statutes of the State of North Carolina provide for budgetary control measures to exist between a county and a public school system. The statutes provide:

### Per General Statute 115C-429

(c) The board of county commissioners shall have full authority to call for, and the board of education shall have the duty to make available to the board of county commissioners, upon request, all books, records, audit reports, and other information bearing on the financial operation of the local school administrative unit.

The Board of Commissioners hereby directs the following measures for budget administration and review:

That upon adoption, the Board of Education will supply to the Board of County Commissioners a detailed report of the budget, showing all appropriations by function and purpose, specifically to include funding increases and new program funding. The Board of Education will provide to the Board of County Commissioners a copy of the annual audit, quarterly financial reports, copies of all budget amendments showing disbursements and use of local monies granted to the Board of Education by the Board of Commissioners.
